

LET'S LEARN TOGETHER: What is Poverty?

Thank you for joining us to learn about global poverty! We hope you are enjoying learning about Bruno and life in different parts of the world.

Before you watch video 2, Difficult Choices, complete the following questions.

Homes Around the World review:

1) In the first video, you learned about the different kinds of homes children live in around the world. Draw your home on one side of the box and one of the homes you learned about in the other. Circle three similarities.

2) You also learned the definition of Poverty. Fill in the missing words in the definition below:

Poverty: not having regular access to nutritious _____, clean _____, or safe _____.

3) Read all the items on the list below. If you could only pick three items, which would you keep? Circle those three items.

Food	TV and video games	Medicine when you are sick
Clean water	School	Church
Your home	Electricity	
Running water	A car to get places	

Now, watch video 2 and come back to answer the rest of the questions.

1) Fill in the blank:

Extreme poverty: living on less than _____ a day.

2) Look back at the things you circled on your list. Now that you have heard about the difficult choices children and families living in extreme poverty must make, would you change any of your answers? Why or why not?

3) Spend some time praying with your family for children like Bruno who are living in poverty. Pray for the local churches that are serving those families with food and by sharing the hope of the gospel.

Thank you for taking time to learn about children living in poverty.

Tune into our next video, Bruno's Home, to learn more about what life is like for Bruno and his sister living in a garbage dump.
