

2022-2023 ANNUAL REPORT

Our mission is to **deliver hope** to **suffering children** by equipping **local churches** for **gospel-centered mercy ministry**.

This past year, we as an organization have focused a lot on gratitude. It is with gratitude that we look back on the past year and reflect on what God has accomplished through the ministry of Children's Hunger Fund (CHF). We've seen God grow and strengthen new and existing relationships in Europe to be able to provide aid to Ukrainian refugees. We've equipped more domestic churches to reach families in new communities with food and the hope of the gospel.

It is with gratitude that we reflect on the generosity of our supporters. It is only through God's grace and your support that we have been able to grow the ministry of Children's Hunger Fund and make plans to equip more churches for gospel-centered mercy ministry. It is our honor to steward the money and resources entrusted to us with integrity and transparency so that more children can know the love of Christ.

For the children we serve,

Dave Phillips
Founder and President
