CHILDREN'S HUNGER FUND.

Welcome to
Project Coin Pak

We are excited to partner with you through Project Coin Pak!
Every 25¢ that you collect can provide a meal for a child in need.

HERE'S HOW IT WORKS

STEP 1. Collect coins in your Coin Pak.
Everyone can help! In fact, on the back of this card we have a list of ideas to help kids earn coins.

STEP 2. Return your coins.

- **Groups with a leader** - return your Coin Pak to your leader.
- **Individuals, families, and group leaders** - count your coins and go to **ChildrensHungerFund.org/CoinPakDonate** to complete your donation. Or, fill out the enclosed donation form and mail it with a check.

STEP 3. We will put your coins to work filling Food Paks with nutritious food that can provide meals for children and families in the US and around the world. We partner with local churches and charities who deliver Food Pak boxes to families in their neighborhoods.

Thanks for making a difference and letting your change make a change through Project Coin Pak!

Easy ways for kids to earn coins:

- Recycle
- Do chores around the house
- Walk a dog
- Collect leftover change
- Sell lemonade, hot chocolate, or baked goods
- Wash the cars of family and friends
- Hold a yard sale
- Garden, rake leaves, or shovel snow
- Help to cook meals
- Sell unwanted video games to a local game store
- House or dog sit for a neighbor
- Babysit

Be creative—the possibilities are endless! And kids, be sure to get your parents' permission and ask for help when you need it! Also, we suggest taping the bottom of your Coin Pak to make sure it holds all of your coins.
